Can you blaze a trail for others to follow?

We opened our doors to our first group of Year 7 students in September 2016, and need inspirational colleagues to continue our excellent start. This post would suit those who believe everyone is entitled to a first rate education, and those who thrive in an environment of high expectation and constant challenge; trailblazers who can also secure continuing success. A flexible approach is essential.

Pinner High School is a learning based community with high aspirations for all. We provide a first rate personal, inclusive education, through a tried and tested curriculum carefully supported by individual pastoral care. Students have the opportunity to excel in and out of the classroom, on the sports field, on the stage, in the community, enjoying a wealth of enrichment opportunities.

The school brings life to the motto 'Inspiring Learning'. A great deal of this comes with the exceptional every day experiences students expect with our first class staff. The opportunity to build this ethos in a brand new school is a special one with excellent career development opportunities as the school grows. We have a specialist ASD facility opening this year, led by the Assistant Headteacher (Inclusion). The Headteacher has already made outstanding appointments and the school is fully staffed with exceptional teachers for September. The future of Pinner High School is bright and exciting.
